**在**中巴两国政府的支持下、广大工商界朋友的共同努力下，我们迎来了瓜达尔自由区开园仪式暨2018年瓜达尔国际商品展销会。我谨代表本次活动组织方，向光临本次盛大活动的各国大使、政府领导、工商界朋友表示热烈的欢迎及诚挚的感谢！

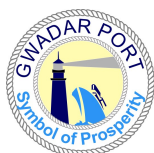

“智者谋局”。瓜达尔港是中巴经济走廊的旗舰项目，是巴基斯坦未来经济发展的新亮点，因而得到了中、巴投资者的青睐。一个基础设施完善、功能齐全的现代化园区在短短的一年内倏然完成，超过30家企业、投资超过10亿美元的项目将入驻园区。寂寞荒凉的瓜达尔逐步呈现出良好的发展潜力，当地人民期望的美好生活终将实现。

本次活动得到了广大工商界朋友、投资商的积极响应。我们期望参与本次活动的朋友们充分了解瓜达尔的发展远景，找到合作商机，达成合作协议，为瓜达尔的发展做出努力。

祝瓜达尔商品交易会圆满成功，祝朋友们身体健康，平安！

Gwadar Port Authority

**W**ith the strong support of Chinese and Pakistani governments and the joint efforts of the business community, we gathered here to celebrate the inauguration of Gwadar Free Zone and Gwadar EXPO 2018. On behalf of the organizers, I wish to extend our warm welcome and appreciation to the excellences, government officials and business leaders attending this grand event.

“A wise man more focuses on future” . Gwadar Port is the flagship project of CPEC and will play important role in economic development in Pakistan and the region. Therefore, it has been a dreamland for global investors. A fully equipped modern industrial park completed within a year, attracting more than 30 companies with a total investment of more than USD 1 billion is a strong prove of the confidence of the investor toward Gwadar. The once desolated, neglected Gwadar is gradually showing its economic potentials and will benefit the local people.

Extensive support from business community has been offered to this milestone event. It is my belief that friends participating this event will have a clear picture of Gwadar development plan, find opportunities in it and enter into cooperation agreements as the result of Gwadar EXPO 2018.

I wish the event a complete success and wish you all be healthy and safe!

瓜达尔港濒临阿拉伯海，位于波斯湾的入海口、霍尔木兹海峡湾口，靠近重要的海运航线，是巴基斯坦国家规划的第三大沿海港口。瓜达尔港处于联系中东、中亚和南亚的交汇处，也是中巴经济走廊的出海口、21世纪海上丝绸之路建设的重要节点。由于其区位优势和深水港口资源，瓜达尔有条件发展成为巴基斯坦及周边国家的重要商贸门户。

On the shores of the Arabian Sea, Gwadar Port is located at the mouth of the Persian Gulf, just outside the Straits of Hormuz, near the key shipping routes. It's the third largest seaport planned in Pakistan. Gwadar lies at the convergence of three most commercially important regions of the world, i.e. Middle East rich in oil, Central Asia bestowed with natural resources and South Asia having big potential for growth. It's also an important node for the development of 21st Maritime Silk Road. Being a Deep Sea Port and taking advantage of its location, Gwadar has significant potential to be the gateway and hub of world business and trade catering for Pakistan and neighbor countries commercial activities.
